Dear Sirs,

**Re: Quality Assurance of Galvanized Steel Sheets from Wo Lee Steel Co., Ltd.**

In view of recent reported data falsification cases, Wo Lee Steel Co. Ltd would like to inform the public we do not supply or source any materials from the affected steel producer.

The Moonstar brand Galvanized Steel Sheets, supplied by Wo Lee, is manufactured by Nisshin Steel. The Nisshin Moonstar brand can be clearly identified with the following logo:

Nisshin Steel and Wo Lee Steel have been committed partners for over 30 years. Nisshin Steel has the OEM production arrangement on regular spangle G.I. with Yieh Phui Enterprise Co., Ltd. at Taiwan. The quality and specification are virtually equivalent to the Nisshin Steel in Japan with production according to EN10346 DX51D Z275 and the continuous sheet mark at the center with an interval of every one meter, comply with the DW144 requirements.

Wo Lee has been dedicated to supplying quality steel products in Hong Kong and Macau for over 60 years and will continue to provide high quality products to existing and future customers and projects.

Thank you for the interest and support to Wo Lee.

Yours faithfully,

Wo Lee Steel Co. Ltd.

Stockholding and sales of steel including cutting to size as per customer requirements.
